PDRRMC-APSEMO ADVISORY 31-2024

DECAMPMENT AND RESUMPTION OF WORK

November 17, 2024 9:00 AM

As ST Pepito continues to move away from Albay, and with the associated hazards from the weather disturbance diminishing, along with PAGASA's downgrading of the Tropical Cyclone Wind Signal in Albay, respective Local Government Units (LGUs) are directed to follow these instructions:

1. Execute localized decampment only after verifying that it is safe for residents to return to their communities.
2. The concerned LGUs and respective Barangay Disaster Risk Reduction and Management Committees (BDRRMCs) shall facilitate the decampment and supervise the clean-up of the temporary shelters and evacuation centers.
3. Work in government offices, private sectors, and business establishments shall **resume effective today**.

So ordered.
