PDRRMC-APSEMO ADVISORY- 2026 - 19

MAYON VOLCANO ALERT LEVEL 3
October 30, 2026
1:00 P.M.

Due to the moderate explosive eruption of Mayon Volcano and raising of Mayon Volcano Alert Level from 2 to 3 as per Mayon Volcano Bulletin dated October 30, 2026 at 12:30 PM, The Albay PDRRMC hereby issues the following for disaster avoidance and public safety:

1. The C/MDRRMOs are to execute evacuation of the population inside the 6-kilometer radius Permanent Danger Zone (PDZ) effective this afternoon, October 30, 2026.
2. The C/MDRRMOs to maintain 24-hour monitoring and submit reports to APSEMO.
3. Suspension of classes in all levels for both private and public schools in the province of Albay until lifted.
4. The Department of Education and respective school heads, whose facilities/campus will be used as evacuation centers are advised to shift to alternative learning modalities and to coordinate with respective LGUs for support.
5. The Philippine National Police – Albay Provincial Office and Philippine Army to institute security measures around Mayon Volcano prohibiting entry within the 6-km. radius PDZ.
6. Strictly no human activity inside the 6-km. Permanent Danger Zone (mountain climbing, orchid picking, vegetable harvesting, etc,).
7. ATV rides shall be limited within the Cagsawa Ruins area only. The rest of the areas are hereby temporarily not allowed to operate.
8. No fly zone directly above Mayon Volcano.
9. Entrance to Mayon Skyline is temporarily not allowed until further notice.
10. In the event of ashfall, the public are advised to use face mask or damp cloth to cover nose and mouth.
11. All city/municipal and barangay DRRMCs around Mayon Volcano are advised to be in HIGHEST ALERT and MONITORING STATUS in their respective areas.
12. The public are advised to remain alert and standby for official updates and further advisories from PHIVOLCS and local authorities.

PROVINCIAL DISASTER RISK REDUCTION & MANAGEMENT COUNCIL

PDRRMC-APSEMO ADVISORY- 2026-20

LIFTING OF CLASS SUSPENSION

November 2, 2026
3:00 P.M.

As per PHIVOLCS Mayon Volcano Bulletin dated November 2, 2026, only a minor eruption at 01:15 A.M. was recorded and no new moderately explosive eruption has occurred since the October 30, 2026 event. PHIVOLCS maintains Alert Level 3 but reports that volcanic activity has decreased with no repeat explosive eruption.

Due to the said development, the Albay PDRRMC hereby orders the following:

1. Resumption of face-to-face classes in all levels for both public and private schools in the Province of Albay tomorrow November 3, 2026.

2. School heads are advised to ensure safety of students and coordinate with respective C/MDRRMOs and ensure that school facilities used as evacuation centers are properly cleared before resumption of classes.

3. All other provisions and prohibitions stated in PDRRMC-APSEMO Advisory-2026-19 dated October 30, 2026 not related to suspension of classes shall remain in effect.

So ordered.

NOEL E. ROSAL
Governor & PDRRMC Chairman
